REQUEST FOR CERTIFICATE OF CORRECTION

Sir:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

In the Recordation Form Cover Sheet (Form PTO-1595), filed August 27, 1998, the assignee was given as --STMicroelectronics S.r.l.-- but was incorrectly changed to "STMicrlelectronics S.r.l." on the front cover of the issued patent.

Claim 12, line 12, as amended on July 10, 2001, --a hermetically sealed chamber-- was incorrectly changed to "a hermetically scaled chamber" in Claim 8, column 6, line 33 of the issued patent. Please note, due to claim canceling and renumbering, Claim 12 has become Claim 8 in the issued patent.

Claim 19, lines 1 and 2, as amended on April 24, 2000, --sensor element-- was incorrectly change to "sensor clement" in Claim 14, column 6, lines 51 and 52 of the issued patent. Please note, due to claim canceling and renumbering, Claim 19 has become Claim 14, in the issued patent.

Attached is form PTO/SB/44, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by
